## INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and Members  
of the Borough Council  
Borough of Manville  
County of Somerset  
Manville, New Jersey 08835

We have audited the accompanying financial statements - statutory basis of the various individual funds and the account group of the Borough of Manville, County of Somerset, New Jersey as of and for the years ended December 31, 2010 and 2009, and for the year ended December 31, 2010 as listed as financial statements - statutory basis in the foregoing table of contents. These financial statements - statutory basis are the responsibility of the management of the Borough of Manville, County of Somerset. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial statements contained in Government Auditing Standards issued by the Comptroller General of the United States, the audit requirements prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey and the provisions of U.S. Office of Management and Budget (OMB) Circular A-133, "Audits of States, Local Governments and Non-Profit Organizations" and State of New Jersey OMB Circular 04-04' "Single Audit Policy for Recipients of Federal Grants, State Grants and State Audit." Those standards and provisions require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the Borough of Manville, County of Somerset, prepares its financial statements on a prescribed basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, that demonstrates compliance with the modified accrual basis, with certain exceptions, and the budget laws of New Jersey, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles.

# SUPLEE, CLOONEY & COMPANY

In our opinion, because the Borough of Manville prepares its financial statements on the basis of accounting discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with generally accepted accounting principles, the financial position of the various individual funds of the Borough of Manville as of December 31, 2010 and 2009 or the results of its operations and changes in fund balance for the years then ended or the revenues or expenditures for the year ended December 31, 2010.

However, in our opinion, the financial statements - statutory basis present fairly, in all material respects, the financial position - statutory basis of the various individual funds and account groups of the Borough of Manville, County of Somerset, as of December 31, 2010 and 2009, and the results of its operations and changes in fund balance - statutory basis for the years then ended and the revenues, expenditures and changes in fund balance - statutory basis for the year ended December 31, 2010, on the basis of accounting described in Note 1.

In accordance with Government Auditing Standards, we have also issued our report dated March 21, 2011 on our consideration of the Borough of Manville's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grants and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Our audit was made for the purpose of forming an opinion on the financial statements - statutory basis taken as a whole. The information included in the schedules of expenditures of federal awards and state financial assistance, Financial Data Section-Section 8 Housing Choice Voucher Program and the other supplementary schedules and data listed in the table of contents is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, "Audits of States, Local Governments and Non-Profit Organizations," and the Division of Local Government Services, Department of Community Affairs, State of New Jersey, and is not a required part of the financial statements. This information has been subjected to the auditing procedures applied in the audit of the financial statements mentioned above and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

This report is intended for the information of the Borough of Manville, County of Somerset, New Jersey, the Division of Local Government Services and federal and state audit agencies and is not intended to be and should not be used by anyone other than these specified parties.

NOTES TO FINANCIAL STATEMENTS

BOROUGH OF MANVILLE

NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED DECEMBER 31, 2010 AND 2009

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Reporting Entity

The Borough of Manville is an instrumentality of the State of New Jersey established to function as a municipality. The Borough Council consists of elected officials and is responsible for the fiscal control of the Borough.

Except as noted below, the financial statements of the Borough of Manville include every board, body, officer or commission supported and maintained wholly or in part by funds appropriated by the Borough of Manville, as required by N.J.S.A. 40A:5-5. Accordingly, the financial statements of the Borough of Manville do not include the operations of the municipal library or the local school district, inasmuch as their activities are administered by separate boards.

B. Description of Funds

The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. GASB codification establishes three fund types and two account groups to be used by general purpose governmental units when reporting financial position and results of operations in accordance with U.S. Generally Accepted Accounting Principles (GAAP).

The accounting policies of the Borough of Manville conform to the accounting principles applicable to municipalities which have been prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Such principles and practices are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Under this method of accounting, the financial transactions and accounts of the Borough of Manville are organized on the basis of funds and an account group which is different from the fund structure required by GAAP. A fund or account group is an accounting entity with a separate set of self-balancing accounts established to record the financial position and results of operation of a specific governmental activity. As required by the Division of Local Government Services, the Borough accounts for its financial transactions through the following individual funds and account group:

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Description of Funds (Continued)

Current Fund - resources and expenditures for governmental operations of a general nature, including federal and state grant funds.

Trust Fund - receipts, custodianship and disbursements of funds in accordance with the purpose of which each reserve was created.

General Capital Fund - receipt and disbursement of funds for the acquisition of general capital facilities, other than those acquired in the Current Fund.

Sewer Operating and Capital Funds - account for the operations and acquisition of capital facilities of the municipally-owned sewer utility.

General Fixed Assets Account Group - utilized to account for property, land, buildings and equipment that have been acquired by other governmental funds.

C. Basis of Accounting

The accounting principles and practices prescribed for municipalities by the State of New Jersey differ in certain respects from generally accepted accounting principles applicable to local governmental units. The more significant accounting policies and differences in the State of New Jersey are as follows:

A modified accrual basis of accounting is followed with minor exceptions.

Revenues - are recorded when received in cash except for certain amounts which are due from other governmental units. Federal and state grants are realized as revenue when anticipated in the Borough's budget. Receivables for property taxes are recorded with offsetting reserves on the balance sheet of the Borough's Current Fund; accordingly, such amounts are not recorded as revenue until collected. Other amounts that are due the Borough which are susceptible to accrual are also recorded as receivables with offsetting reserves and recorded as revenue when received. GAAP requires revenues to be recognized in the accounting period when they become susceptible to accrual, reduced by an allowance for doubtful accounts.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Basis of Accounting (Continued)

Expenditures - are recorded on the "budgetary" basis of accounting. Generally expenditures are recorded when an amount is encumbered for goods or services through the issuance of a purchase order in conjunction with the Encumbrance Accounting System.

Outstanding encumbrances at December 31 are reported as a cash liability in the financial statements and constitute part of the Borough's statutory Appropriation Reserve balance. Appropriation reserves covering unexpended appropriation balances are automatically created at December 31st of each year and recorded as liabilities except for amounts which may be canceled by the governing body. Appropriation reserves are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments or contracts incurred during the preceding fiscal year. Lapsed appropriation reserves are recorded as income. Appropriations for principal payments on outstanding general capital and utility bonds and notes are provided on the cash basis; interest on general capital indebtedness is on the cash basis, whereas interest on utility indebtedness is on the accrual basis.

Encumbrances - contractual orders at December 31 are reported as expenditures through the establishment of encumbrances payable. Under GAAP, encumbrances outstanding at year end are reported as reservations of fund balance because they do not constitute expenditures or liabilities.

Foreclosed Property - foreclosed property is recorded in the Current Fund at the assessed valuation when such property was acquired and is fully reserved. GAAP requires such property to be recorded in the General Fixed Assets Account Group at its market value.

Sale of Municipal Assets - the proceeds from the sale of municipal assets can be held in a reserve until anticipated as a revenue in a future budget. GAAP requires such proceeds to be recorded as a revenue in the year of sale.

Interfunds - interfund receivables in the Current Fund are recorded with offsetting reserves which are created by charges to operations. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves. GAAP does not require the establishment of an offsetting reserve.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Basis of Accounting (Continued)

General Fixed Assets – N.J.A.C. 5:30-5.6, Accounting for Governmental Fixed Assets, as promulgated by the Division of Local Government Services, which differs in certain respects from generally accepted accounting principles, requires the inclusion of a statement of general fixed assets of the Borough as part of its basic financial statements. General fixed assets are defined as nonexpendable personal property having a physical existence, a useful life of more than one year and an acquisition cost of \$5,000.00 or more per unit.

Public domain ("infrastructure") general fixed assets consisting of certain improvements other than buildings, such as roads, bridges, curbs and gutters, streets and sidewalks and drainage systems are not capitalized. No depreciation has been provided on general fixed assets or reported in the financial statements.

The Borough has developed a fixed assets accounting and reporting system based on an inspection and valuation prepared by an independent appraisal firm. Fixed assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Land is stated at the assessed value contained in the Borough's most recent property revaluation. Buildings are stated at the most recent insurance replacement value. General Fixed Assets that have been acquired and are utilized in a governmental fund operation are accounted for in the General Fixed Assets Account Group rather than in a governmental fund.

Expenditures for construction in progress are recorded in the Capital Funds until such time as the construction is completed and put into operation.

Fixed assets acquired through grants in aid or contributed capital have not been accounted for separately.

Inventories of Supplies - the cost of inventories of supplies for all funds are recorded as expenditures at the time individual items are purchased. The cost of inventories are not included on the various balance sheets. GAAP requires the cost of inventories to be reported as a current asset and equally offset by a fund balance reserve.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Basis of Accounting (Continued)

Fixed Capital - Sewer Utility

Accounting for utility fund "fixed capital" remains unchanged under the requirements of N.J.A.C. 5:30-5.6.

Property and equipment purchased by the Sewer Utility Fund are recorded in the capital account at cost and are adjusted for disposition and abandonment. The amounts shown do not purport to represent reproduction costs or current value. The fixed capital reported is as taken from the municipal records and does not necessarily reflect the true condition of such fixed capital. Contributions in aid of construction are not capitalized. The balance in the Reserve for Amortization account in the utility capital fund represent charges to operations for the cost of acquisitions of property, equipment and improvements. The utility does not record depreciation on fixed assets.

D. Basic Financial Statements

The GASB codification also defines the financial statements of a governmental unit to be presented in the general purpose financial statements to be in accordance with GAAP. The Borough presents the financial statements listed in the table of contents of the "Requirements of Audit and Accounting Revision of 1987" as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey and which differ from the financial statements required by GAAP.

NOTE 2: CASH AND CASH EQUIVALENTS

The Borough considers petty cash, change funds, cash in banks and certificates of deposit as cash and cash equivalents.

A. Deposits

New Jersey statutes permit the deposit of public funds in institutions which are located in New Jersey and which meet the requirements of the Governmental Unit Deposit Protection Act (GUDPA) or the State of New Jersey Cash Management Fund. GUDPA requires a bank that accepts public funds to be a public depository. A public depository is defined as a state bank, a national bank, or a savings bank, which is located in the State of New Jersey, the deposits of which are insured by the Federal Deposit Insurance Corporation. The statutes also require public depositories to maintain collateral for deposits of public funds that exceed certain insurance limits. All collateral must be deposited with the Federal Reserve Bank or a banking institution that is a member of the Federal Reserve System and has capital funds of not less than \$25,000,000.00.

Prepaid Taxes	<u>\$337,389.24</u>	<u>\$355,145.24</u>

NOTE 6: PENSION PLANS

Borough employees, who are eligible for a pension plan, are enrolled in one of three pension systems administered by the Division of Pensions, Treasury Department of the State of New Jersey. The plans are: the Public Employees' Retirement System, the Police and Firemen's Retirement System, and Defined Contribution Retirement Program (DCRP). The Division annually charges participating government units for their respective contributions to the plans based upon actuarial methods. Certain portions of the cost are contributed by the employees. The Borough's share of pension costs, which is based upon the annual billings received from the State, amounted to \$732,362.00 for 2010, \$369,145.35 for 2009 and \$640,916.50 for 2008. The Borough's share for DCRP amounted to \$727.50 in 2010 and \$530.00 in 2009.

Certain Borough employees are also covered by the Federal Insurance Contribution Act.

Information as to the comparison of the actuarially computed value of vested benefit with the system's assets is not available from the State Retirement System and, therefore, is not presented.

NOTE 7: COMPENSATED ABSENCES

Under the existing policy of the Borough, employees are allowed to accumulate unused sick pay over the life of their working careers which may be taken as time off at a later date. The accumulated cost of such unpaid compensation is not required to be reported in the financial statements as presented and has not been determined, but is probably material. The Borough annually appropriates the amounts that are required to be paid in that year's budget and no liability is accrued at December 31, 2010.

NOTE 8: LITIGATION

The Borough is involved in several pending legal proceedings, the impact on the financial statements of which, either individually or in the aggregate, in the opinion of the Borough's legal counsel would not be material.

NOTE 9: CONTINGENT LIABILITIES

The Borough participates in several federal and state financial assistance grant programs. Entitlement to the funds is generally conditional upon compliance with terms and conditions of the grant agreements and applicable regulations, including the expenditures of funds for eligible purposes. These programs are subject to compliance and financial audits by the grantors or their representatives. As of December 31, 2010, the Borough does not believe that any material liabilities will result from such audits.

NOTE 10: TAX APPEALS

There are several tax appeals filed requesting a reduction of assessments for 2010 and prior years. Any reduction in assessed valuation will result in a refund of prior year's taxes in the year of settlement, which may be funded from tax revenues through the establishment of a reserve or by the issuance of refunding bonds per N.J.S.A. 40A:2-51.

NOTE 11: RISK MANAGEMENT

The Borough is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Borough maintains commercial insurance coverage covering each of those risks of loss. Management believes such coverage is sufficient to preclude any significant uninsured losses to the Borough. Settled claims have not exceeded this commercial coverage in any of the past three fiscal years.

New Jersey Unemployment Compensation Insurance - The Borough has elected to fund its New Jersey Unemployment Compensation Insurance under the "Benefit Reimbursement Method". Under this plan, the Borough is required to reimburse the New Jersey Unemployment Trust Fund for benefits paid to its former employees and charged to its account with the State. The Borough is billed quarterly for amounts due to the State. Below is a summary of Borough contributions, employee contributions, reimbursements to the State for benefits paid, and the ending balance of the Borough's expendable trust fund for the current and previous two years:

<u>Year</u>	<u>Borough Contributions / Interest Earned</u>	<u>Employee Contributions</u>	<u>Amount Reimbursed</u>	<u>Ending Balance</u>
2010	\$ 836.47	\$ 4,053.08	\$ 35,104.85	\$ 75,247.66
2009	72,274.53	5,539.41	40,166.10	105,462.96
2008	71,253.35	9,021.40	23,357.32	67,815.12

NOTE 12: INTERFUND RECEIVABLES AND PAYABLES

The following interfund balances remained on the balance sheet at December 31, 2010:

<u>Fund</u>	<u>Interfund Receivable</u>	<u>Interfund Payable</u>
Current Fund	\$ 17,186.87	\$ 75,309.70
Animal Control Fund		1,759.05
Trust Other Fund		15,427.82
General Capital Fund	<u>75,309.70</u>	<u>                    </u>
	<u>\$ 92,496.57</u>	<u>\$ 92,496.57</u>

All Interfund balances resulted from the time lag between the dates that payments between funds are made.

NOTE 13: DEFERRED COMPENSATION PLAN

The Borough offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan, available to all Borough employees, permits them to defer a portion of their salaries until future years. The Borough does not make any contribution to the plan. The deferred compensation is not available to employees until retirement, death, disability, termination or financial hardships.

In accordance with the requirements of the Small Business Job Protection Act of 1996 and the funding requirements of Internal Revenue Code Section 457(g), the Borough's Plan was amended to require that all amounts of compensation deferred under the Plan are held for the exclusive benefits of plan participants and beneficiaries. All assets and income under the Plan are held in trust, in annuity contracts or custodial accounts.

The Plan is administered by the AIG Retirement (AIG) and AXA-Equitable.

The accompanying financial statements do not include the Borough's Deferred Compensation Plan activities. The Borough's Deferred Compensation Plan financial statements are contained in a separate review report.

NOTE 14: LENGTH OF SERVICE AWARDS PROGRAM

During 2003, the Borough of Manville adopted an ordinance establishing a Length of Service Awards Program for the members of the Manville Fire Department and the Manville First Aid/Rescue Squad pursuant to N.J.S.A. 40A:14-183 *et seq.*

Under this program, each volunteer of the Manville Fire Department that performs the minimum amount of service will have an annual amount up to \$1,150.00 deposited into a tax deferred income account that will earn interest for the volunteer. Each volunteer of the Manville First Aid/Rescue Squad that performs the minimum amount of service will have an amount up to \$1,150.00 deposited into a tax deferred income account for the volunteer. The Borough's costs amounted to \$8,900.00 in 2010, \$14,100.00 in 2009 and \$6,750.00 in 2008.

The accompanying financial statements do not include the Borough's Length of Service Awards Program's activities. The Borough's Length of Service Awards Program's financial statements are contained in a separate review report, as required by state regulations.

NOTE 15: GASB 45: OTHER POST-EMPLOYMENT BENEFITS (UNAUDITED)

The Borough provides Post Retirement Benefits to certain employees, per the terms of their various labor agreements, who have retired from the Borough after twenty-five (25) years of service.

During the year ended December 31, 2010 there was one Borough employee who received benefits under this plan with total benefits expended for the year of \$5,746.55.

Commencing with the year ending December 31, 2009 the above noted post employment benefits require the Borough to implement the note disclosure provision of GASB Statement 45, "Accounting and Financial Reporting by Employers for Post Employment Benefits Other Than Pension." This statement which was adopted during 2004 by the Government Accounting Standard Board (GASB) requires the Borough to disclose in the notes of the financial statements the future cost of the other post employment benefits (OPEB) on a present value basis instead of the present pay as you go method. OPEB obligations are non-pension benefits that the Borough has contractually agreed to provide employees once they have retired.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND  
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS

The Honorable Mayor and Members  
of the Borough Council  
Borough of Manville  
County of Somerset  
Manville, New Jersey 08835

We have audited the accompanying financial statements - statutory basis of the Borough of Manville, County of Somerset, New Jersey as of and for the year ended December 31, 2010, and have issued our report thereon dated March 21, 2011. Our report disclosed that, as described in Note 1 to the financial statements, the Borough of Manville prepares its financial statements on a basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, that demonstrates compliance with a modified accrual basis and the budget laws of the State of New Jersey, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles. We conducted our audit in accordance with U.S. generally accepted auditing standards, audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

#### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Borough of Manville's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of the Borough of Manville's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Borough of Manville's internal control over financial reporting.

## SUPLEE, CLOONEY & COMPANY

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Borough of Manville's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses as defined above. However, we noted a certain immaterial matter involving the internal control that we have reported to the Borough of Manville in the General Comments and Recommendations Section of this report.

### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Borough of Manville's financial statements – statutory basis are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards. However, we noted certain matters that we have reported to the Borough of Manville in the General Comments and Recommendations Section of this report.

This report is intended solely for the information of the Borough of Manville, County of Somerset, New Jersey, the Division of Local Government Services and federal and state audit agencies, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE  
WITH REQUIREMENTS APPLICABLE TO MAJOR FEDERAL  
FINANCIAL ASSISTANCE PROGRAMS AND  
INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE  
WITH U.S. OMB CIRCULAR A -133

The Honorable Mayor and Members  
of the Borough Council  
Borough of Manville  
County of Somerset  
Manville, New Jersey 08835

## Compliance

We have audited the compliance of the Borough of Manville, County of Somerset, with the types of compliance requirements described in the U. S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that is applicable to each of its major federal programs for the year ended December 31, 2010. The Borough of Manville's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the Borough of Manville's management. Our responsibility is to express an opinion on the Borough of Manville's compliance based on our audit.

We conducted our audit of compliance in accordance with U.S. generally accepted auditing standards; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, audit requirements prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey and the provisions of U.S. Office of Management and Budget (OMB) Circular A-133 "Audits of States, Local Governments and Non-Profit Organizations." Those standards and provisions require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Borough of Manville's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Borough of Manville's compliance with those requirements.

## SUPLEE, CLOONEY & COMPANY

In our opinion, the Borough of Manville complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended December 31, 2010.

### Internal Control Over Compliance

The management of the Borough of Manville is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the Borough of Manville's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended for the information of the Borough of Manville, County of Somerset, New Jersey, the Division of Local Government Services and federal and state audit agencies and is not intended to be and should not be used by anyone other than these specified parties.

COMMENTS AND RECOMMENDATIONS

## GENERAL COMMENTS

### CONTRACTS AND AGREEMENTS REQUIRED TO BE ADVERTISED FOR N.J.S.A. 40A:11-4

"Every contract or agreement, for the performance of any work or the furnishing or hiring of any materials or supplies, the cost or the contract price whereof is to be paid with or out of public funds not included within the terms of Section 3 of this act, shall be made or awarded only by the governing body of the contracting unit after public advertising for bids and bidding therefore, except as is provided otherwise in this act or specifically by any other law. No work, materials or supplies shall be undertaken, acquired or furnished for a sum exceeding in the aggregate the amount set forth in, or the amount calculated by the Governor pursuant to Section 3 P.L. 1971 C. 198 (C. 40A:11-3), except by contract or agreement."

Effective July 1, 2010, the bid threshold in accordance with N.J.S.A. 40A:11-4 is \$26,000.00.

The governing body of the Municipality has the responsibility of determining whether the expenditures in any category will exceed \$26,000.00 within the fiscal year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Borough Counsel's opinion should be sought before a commitment is made.

The minutes indicate that bids were requested by public advertising for the following items:

Memorial Park Pool Complex Improvements  
Power Assist Door Operators – Manville Public Library

The minutes indicate that resolutions were adopted and advertised authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 40A:11-5.

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or the furnishing or hiring of any materials or supplies, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear cut violations existed.

Our examination of expenditures did not reveal any individual payments, contracts or agreements in excess of \$26,000.00 for the performance of any work or the furnishing or hiring of any materials or supplies, other than those where bids had been previously sought by public advertisement or where a resolution had been previously adopted under the provisions of N.J.S.A. 40A:11-6.

COLLECTION OF INTEREST ON DELINQUENT  
TAXES, UTILITY AND ASSESSMENTS

The statute provides the method for authorizing interest and the maximum rate to be charged for the non-payment of taxes or assessments on or before the date when they would become delinquent.

The governing body on January 2, 2010 adopted the following resolution authorizing interest to be charged on delinquent taxes and assessments:

WHEREAS, N.J.S.A. 54:4-67 governs the interest rates charged on delinquent tax and utility payments.

NOW THEREFORE BE IT RESOLVED, by the Mayor and Council of the Borough of Manville, County of Somerset that the interest rates charged on delinquent tax and utility payments shall be 8% on the first \$1,500.00 of delinquency and 18% on any excess over \$1,500.00 thereafter, for the year 2010; and

WHEREAS, N.J.S.A. 54:5-61 WHEREAS, relating to the amount of penalty to be charged on a tax sale certificate has been amended to read as follows:

When taxes, interest and costs shall in excess of \$200.00 but less than \$5,000.00, a 2% penalty on any amount due shall be charged. When taxes, interest and costs shall exceed the sum of \$5,000.00, such additional sum shall be equal to 4% of such amount paid and when the sum exceeds \$10,000.00 such additional sum paid shall be equal to 6% of such amount paid. This section shall also apply to all existing tax sale certificates held by municipalities on the effective date of this act.

NOW THEREFORE BE IT RESOLVED, by the Mayor and Council of the Borough of Manville, County of Somerset that under N.J.S.A. 54:4-61, the Tax Collector of the Borough of Manville is authorized to charge, on a tax sale certificate, a 2% penalty on any amount due in excess of \$200.00 but less than \$5,000.00; a 4% penalty on any amount due in excess of \$5,000.00 but less than \$10,000.00; and a 6% penalty on any amount due in excess of \$10,000.00. These penalties are to be applied to all municipal held tax sale certificates as well as those which may be acquired by the municipality as a result of future tax sales.

DELINQUENT TAXES AND TAX TITLE LIENS

The last tax sale was held on June 22, 2010 and was complete.

Inspection of Tax Sale Certificates on file revealed that all Tax Sale Certificates were available for audit.

The following comparison is made of the number of tax title liens on December 31 of the last three years:

<u>YEAR</u>	<u>NUMBER OF LIENS</u>
2010	7
2009	7
2008	6

It is essential to good management that all means provided by statute be utilized to liquidate tax title liens in order to get such properties back on a taxpaying basis.

VERIFICATION OF DELINQUENT TAXES AND OTHER CHARGES

A test verification of delinquent charges and current payments was made in accordance with the regulations of the Division of Local Government Services, consisting of the mailing of verification notices as follows:

<u>TYPE</u>	
Payments of 2011 Taxes	50
Payments of 2010 Taxes	50
Delinquent Taxes	25
Payment of Sewer Utility Charges	50
Delinquent Sewer Utility Charges	25

## OTHER COMMENTS

### Interfunds

Transactions invariably occur in one fund which require a corresponding entry to be made in another fund, thus creating interfund balances. References to the various balance sheets show the interfund balances remaining at year end. As a general rule all interfund balances should be closed out as of the end of the year.

It is the Borough's policy to review and liquidate all interfund balances on a periodic basis.

### Purchasing

Our audit disclosed that cumulative purchases exceeding \$26,000.00 for purchases made under co-ops or state contracts were not awarded by resolution of the governing body.

### Other Departments

The audit of the condition of records maintained by the various departments of the Borough were designed to determine whether minimum levels of internal controls and accountability were maintained, that cash receipts were deposited or turned over to the Treasurer within 48 hours per N.J.S.A. 40A:5-15 and that the amounts collected were in accordance with various ordinances, statutes, contracts or agreements. Our audit revealed the following exceptions:

Funds collected by Borough Departments were not always deposited within 48 hours.

## RECOMMENDATIONS

That all funds collected by Borough Departments be deposited within 48 hours of collection in accordance with N.J.S.A. 40A:5-15.

That all purchases made under co-ops or state contracts, that are in excess of the bid threshold, be awarded by resolution of the governing body.
