Manville Borough — A WREATHS across AMERICA Community 2017

**Mayor Onderko's Corner**  
**Richard M. Onderko, Mayor**  
**Borough of Manville**

With the holiday season rapidly approaching, it is a good time to refocus on a public safety issue with our busy Main Street and the numerous accidents that have recently occurred. As Mayor, I take public safety issues very seriously. I give my full attention to problems I observe or that are brought to my attention by fellow residents or business owners.

Unfortunately, today we have the most unsafe Main Street corridor in Somerset County out of all the 21 towns. Recently there have been both pedestrians struck and motor vehicle accidents where vehicles have flipped over. It's evident the time for action is now!

Back in 2015, a road safety audit was facilitated by the Transportation Safety Resource Center (TSRC) at the Rutgers Center for Advanced Infrastructure and Transportation (CAIT) in partnership with the North Jersey Transportation Planning Authority (NJTPA) and Somerset County, with funding provided by The Federal Highway Administration (FHWA) and the New Jersey

Department of Transportation (NJDOT). The final report was published in August of 2015 and is available for review on our Borough's website, [www.manvillenj.org](http://www.manvillenj.org).

The report helped acquire a \$3 million-dollar federal grant for safety improvements through the NJTPA as announced by Freeholder Director Palmer back in February of 2016. A road diet in the north section of our Main Street has been recommended. Four lanes of traffic will be reduced to two. This would help with speeding, lane delineation, and pedestrian accommodations. At the unsignalized intersections, curb bump outs would help with pedestrian crossing, and better define the intersection.

There have been some frustrating delays with funding and at which the speed of our Federal Government works but the project is now moving into its engineering design phase. Our first design meeting will be held sometime in December. Somerset County Engineering is leading this project since our Main Street is a county owned roadway.

In the meantime, we recently had a "soft kickoff" of a Street-Smart campaign which targeted pedestrian crosswalks between our underpass and Camplain Road. Street Smart is New Jersey's pedestrian safety campaign which uses grassroots outreach, education and enforcement to change risky behaviors on our roadways. The campaign aims to address both pedestrian and driver behaviors to reduce crashes and prevent injury by partnering with proactive municipalities who want to make a difference.

I, along with Gerry Montague from Ride-Wise, visited some of our Main Street businesses recently to communicate the value of a Street-Smart campaign. RideWise is an independent not-for-profit organization that educates businesses and the community regarding alternative transportation options in Somerset County. Their mission is to promote and implement programs that improve mobility options.

The Wreaths across America organization will make its way from Maine to Arlington National Cemetery in just one more week! The Borough of Manville is honored to be one of the local community stops along its 2017 journey.

We need you, your friends and family members to help line the streets of Manville to welcome this esteemed organization into town. A convoy of Gold Star parents, organization officials and veterans, including Grand Marshals Col. and Mrs. Roger Donlon will be amongst the convoy members.

On Wednesday, December 13th, at approximately 9:00 a.m., the convoy will travel down Finderne Avenue over the Van Veghten Bridge into the Borough of Manville where we hope hundreds of residents will help greet the convoy and show appreciation for all they represent...the ultimate sacrifice for our freedom!

**Shop Manville Local this Holiday Season**

Manville Borough boasts a variety of shops to meet all your holiday shopping needs. Visit Main Street Manville to take advantage of the vast selection of retail establishments as well as service providers for which gift certificates are always available. Shopping local serves many purposes such as connecting you to your community, saving you time and money on transportation, supporting your local economy and reducing the carbon footprint by reduced travel. Meet up with friends after your shopping is done at one of the many fine eateries right here in town.

**Bright Lights is underway!** Don't miss out! Register your holiday decorated home by December 6th. Prizes include tickets to Medieval Times, Liberty Science Center, The Great Escape Room and more! Our prize winner will receive \$250 gift certificate to Hershey Park! To learn more about Bright Lights contest including rules and registration visit [www.manvillearts.org/bright-lights](http://www.manvillearts.org/bright-lights).

**The Manville Arts Council has chosen to join #GivingTuesday** because we believe in the power of community and the idea that one person can make a difference. This #GivingTuesday we began a month-long campaign to reach our \$5,000.00 goal to make Murals on Main a reality. When we look at the practical side of creating a mural, the costs add up quickly. Each mural project requires numerous basic materials such as gallons of paint, tape, and buckets, but a project of this scale also requires unexpected expenses such as insurance, scaffolding, and safety equipment.

As we prepare to embark on this artistic journey, support from donors has never been more important. If 250 people give just \$20.00 we will meet our goal by the year's end. Join the MACs #GivingTuesday initiative by visiting [www.givinggrid.com/MuralsonMain](http://www.givinggrid.com/MuralsonMain). Your help will make this vision into a reality.

### Holiday Shopping Safety Tips

The Manville Borough Police Department offers the following safety and security tips for our residents during the busy holiday shopping season. The holiday season is always a special time of year. It is also a time when busy people become careless and vulnerable to theft and other holiday crime.

- Keep all car doors locked and windows closed while in or out of your car. Set your alarm or use an anti-theft device.
- While shopping at night, park in a well-lighted area.
- Avoid parking next to vans, trucks with camper shells, or cars with tinted windows.
- Never leave your car unoccupied with the motor running or with children inside.
- Do not leave packages or valuables on the seat of your car. This creates a temptation for thieves. If you must leave something in the car, lock it in the trunk or put it out of sight.
- Be sure to locate your keys prior to going to your car.
- Keep a secure hold on your purse, handbag and parcels. Do not put them down or on top of the car in order to open the door.
- When approaching, or leaving your vehicle, be aware of your surroundings.
- Do not approach your car alone if there are suspicious people in the area.
- Call the Police if you observe suspicious activity

On behalf of the Manville Police Department we would like to wish everyone a very safe and happy holiday season.

## When Seconds Count, You Can Count on

CodeRED is a FREE emergency notification service provided to all residents within the Borough of Manville that will notify you of emergency information through phone calls (land lines and cell phones), text messages, emails, social media and/or the CodeRED Mobile Alert app. The system will be used to keep you informed of local events that may immediately impact your safety. As a local resident, the Borough of Manville encourages you to take action and register your cell phone for this service and verify your home location to receive targeted notifications that directly impact your home or business.

The CodeRED® system will be used to send critical and time-sensitive communications such as: Weather Related Alerts, Emergency Preparedness, Emergency Evacuation Notices, Public Health Crisis, Emergency Police Activity.

### ENROLL TODAY!

Visit the Borough of Manville's website at [www.manvillenj.org](http://www.manvillenj.org), click on CodeRED, and enter the required information online (address, name, phone number(s), and email). This is the quickest way to sign up because the information you supply is immediately registered in the system.

If you do not have Internet at home, please consider visiting a library or asking a friend or family member for assistance.

CodeRED message will have the caller ID #866-419-5000 for emergencies and caller ID

#855-969-4636 for non-emergencies. We suggest that you program these numbers into your cell phone as a "new contact" and use "CodeRED" as the contact name. If you need to replay the message received, you can dial this number and listen to the message again in its entirety.

### MAYOR'S CORNER continued

Main Street and posters were hung in shop windows to bring awareness to patrons. More than 50 towns statewide have had proven success reducing pedestrian-related crashes and improving driver behavior in areas targeted by Street Smart campaigns. I am looking forward to a full Street-Smart campaign being implemented in the spring of 2018. A campaign involves our municipal government, police, chamber of commerce, schools and community groups working together to benefit everyone living and working in Manville.

While driving our Main Street, please slow down and drive 25 MPH. STOP for pedestrians looking to cross at our crosswalks and always cross at the designated crosswalks. We can all do our part to improve safety and avoid further accidents from occurring until the roadway is improved by re-construction beginning in 2019. For more information on a Street Smart campaign, visit [BeStreetSmartNJ.org](http://BeStreetSmartNJ.org).

Until next month, be safe and Happy Holidays to all!  
Mayor Richard M. Onderko

## Borough Wide Disaster Drill

On Saturday, November 18th, Manville Borough's public safety and emergency management teams participated in a town-wide, staged, yet very realistic disaster drill. The scenario involved a simulated small aircraft crash landing in the Lost Valley section of Manville. The purpose of such a drill is to determine multi-team communication effectiveness, estimated response times and overall preparedness.

Thank you to all those individuals who participated in this important exercise.

### OEM Coordinator Position

Manville Borough announces the vacancy in the position of OEM Coordinator. The Borough of Manville is seeking a Coordinator for its Office of Emergency Management. To be considered as a candidate for this position, Manville residency is required along with Somerset County Tier 2 credentialing. Please refer to [www.manvillenj.org](http://www.manvillenj.org) for a complete position description as well as how to apply.

REMEMBER ★ HONOR ★ TEACH

*December 13, 2017*

Join us along the route to welcome the Wreaths Across America Convoy when they honor Manville with a visit on their way to Arlington National Cemetery.

At 9 AM they will travel south on Main Street passing Manville Borough Hall, turning west on Brooks Boulevard to Manville High School. Come on out and stand along the route to honor our fallen veterans, Gold Star Families and all of the volunteers that help make this possible.

Wreaths Across America (WAA) is working to fulfill its mission to Remember, Honor and Teach through the annual laying of wreaths at Arlington National Cemetery. They stop to visit schools, veterans' homes, monuments and communities along the East Coast during its week long voyage from Harrington, Maine, to Arlington, Virginia.

## HOLIDAY COLLECTION BINS AT THE MANVILLE LIBRARY

The Manville branch of SCLSNJ is an official drop off location for several notable charities this holiday season. Manville residents have given generously in the past, and on behalf of these charities, we thank you for your continued support.

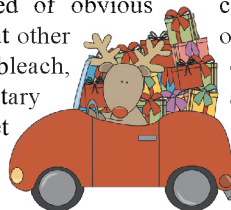

The U. S. Marine Corps Reserve Toys for Tots Program collects unwrapped gifts for economically

disadvantaged children during the holiday season. By distributing new toys to less fortunate youngsters, the Reserve provides a message of hope that will assist them in becoming responsible, productive, patriotic citizens. This non-profit organization is ranked as one of the top-rated charities by "Philanthropy 400," and has an average program to support service expense ratio of 97:3. The last date to donate a new, unwrapped toy is Monday, December 11, 2017.

The Somerset Regional Animal Shelter (SRAS) depend on volunteers and public donations for our animal friends. They are in need of obvious products such as food and toys, but other in demand necessities include bleach,

towels, and comforters. Monetary donations in the form of Petco, Pet Smart and Walmart gift cards are always appreciated. This year, the shelter welcomed orphaned dogs from animal shelters in flood-ravaged Texas, Florida and Puerto Rico, in the aftermath of Hurricanes Irma and Maria.

The Food Bank Network of Somerset County is a charitable not-for-profit organization. The majority of their food and funding

are donations provided by individuals, families, philanthropic organizations, businesses and corporations of all sizes. They distribute food and provide other basic human needs to those less fortunate in our community through three food pantries, located in Somerville, Bound Brook, and North Plainfield, and a warehouse in Bridgewater. Your individual contribution of food is greatly appreciated.

## PROGRAMS FOR ADULTS

### FANTASY BOOK DISCUSSION GROUP

6:30pm - 7:30pm

Tuesday, December 5: The Night Circus by Erin Morgenstern

### WASHINGTON'S GAMBLE ON THE DELAWARE: The Crossing of 1776

Saturday, December 9  
1:00pm - 2:30pm

Gone were the 'sunshine patriots' of 1775 by the winter of '76. Once numbered at 33,000, Washington's cold, defeated, hungry and retreating army dwindled to roughly 3,500 by December.

But the men who remained with Washington through the bitter defeats were willing to suffer the hardships required to keep that noble cause alive. Hear the stories of these brave men, and the many political, logistic, and tactical challenges they faced. Above all, come to hear about the man who led them, as he fearlessly and steadfastly navigated and overcame the many obstacles of weather, food, lack of clothing and shoes, to achieve a nearly miraculous victory over the dreaded and hated British and Hessian forces. Presented by historian and storyteller Glenn LeBoeuf.

### COMPUTER TIPS: Microsoft Office (Word & Excel)

Monday, December 11

1:00pm - 2:00pm (Lecture)

2:00pm - 3:00pm (Workshop)

Learn to navigate the basics of Microsoft Office's two most popular products: Word and Excel. Participants will learn the fundamentals of how to manipulate and manage their Microsoft Office documents. Attendance for all sessions is not required. This is not a beginners course, so a basic understanding of how to use a computer is necessary to understand the material.

December 11: MS Excel - Date Formulas & Types (formulas; text, numbers, symbols; auto-sum)

### EVENING BOOK DISCUSSION GROUP

2nd Monday of every month

6:00pm - 7:00pm

December 11: The Age of Miracles by Karen Walker

### COUPONING WITH CHRISTY

Tuesday, December 5

7:00pm - 8:00pm

Maximize your savings potential through coupon clipping. Learn about a variety of sources - online, print, and local promotions - from other dedicated couponers in our new coupon exchange club.
