A New Beginning with a Proud Past

www.ManvilleNJ.org

Mayor Onderko's Corner Richard M. Onderko, Mayor Borough of Manville

We had two recent accomplishments for our Borough that I am proud of. First, we had a "Chair of Honor" dedication in our council chamber as a constant reminder of the price paid by our military personnel who protect our freedoms. A POW/MIA chair was unveiled and dedicated to the more than 91,000 still missing in action. The chair is a symbol of hope that they one day return home.

The dedication plaque is inscribed, "Let this empty Chair serve as a Memorial to those who have served in the military of our great nation but have not returned home to us. Since World War I, more than 91,000 service members are unaccounted for; they are Prisoners of War and Missing in Action. America will be forever grateful for their bravery and sacrifices in service to our nation. We will never forget. God Bless

America." I would like to thank Rolling Thunder and all those in attendance who made the event extra special.

Second, with pending State legislation to legalize recreational marijuana sales in New Jersey, the Mayor and Council also passed an ordinance in a bi-partisan effort (6-0) to prohibit the sales of marijuana within our Borough. The issue is not solely about the tax revenues generated by the sale of this drug. There are significant costs and problems that come along with legalization. The facts and statistics coming out of the state of Colorado where it has been legalized are troubling.

I believe that if you educate the voters on both sides of this legalization issue it would be voted down. Decriminalization is probably the best approach today. This "new" marijuana comes in so many different forms of product, from lollipops, soda pop, and even gummy bears, it will appeal to our youth sending the wrong message that drug use is ok. I hope other towns in Somerset County will follow our lead.

To stay informed on both sides of this issue, visit www.LearnAboutSAM.org, for smart approaches to marijuana. Listen to what Dr. Kevin Sabet has to say on this topic, review the facts and then ask yourself "do you really want this here in New Jersey?" I believe it is time to put people before profits and steer our youth away from any drug use. Otherwise, the future of our country may be at risk.

Until next month,
Mayor Richard M. Onderko

In honor of Memorial Day 2018, Pack & Troop 193 replaced over 1600 flags at our local cemeteries to honor our veterans. Many thanks to these patriotic young men and their leadership team.

Manville Farmers Market Opening Day June 15, 2018 12:00pm - 5:00pm

It's summertime and what is more exciting than the prospect of fresh local produce provided by your nearby Farmers Market? This season, don't forget to buy your produce and other goods at the Manville Farmers Market on Main!

Starting on June 15th, you will find the Manville Farmers Market at Main Street between the corners of N. Orchard Street and Rosalie Street. The Farmers Market will run from June 15th – September 28, 2018 every Friday from 12:00 pm - 5:00 pm.

The Manville Farmers Market is not only a great place to purchase local produce and other goods, but it is a place to enjoy time with family and friends. This season, we will feature fresh produce from "Jersey Fresh" Norz Hill Farm, edible delights from The Farmer and the Chickpea, J&L Bakery breads & baked goods, and locally handmade items.

There's no better way to strengthen your community than to shop and eat locally! By visiting the Manville Farmers Market on Fridays this summer, you support local farmers as well as businesses and community members. Applications are still being accepted from interested vendors for this summer's Farmers Market. Please contact the Borough Hall for an application packet.

"Parents Who Host, Lose The Most" Campaign

Manville Municipal Alliance has been hard at work this past month. Our "Parents Who Host, Lose The Most" campaign highlighted April's Alcohol Awareness month. Many of you who bought pizza at Manville Pizza and Restaurant or ate at Manville Diner may have seen our stickers posted on mats or pizza boxes. To further our efforts, Manville High School students received an awe inspiring presentation by Maria Esteves from the Union County Prosecutor's Office and MADD NJ volunteer. She shared her story of a drunk driver who killed her daughter and uncle. Detective Sampson also shared with the students how the law works when you drive under the influence. They both encouraged the students to make good decisions that could save their life and that of someone else. In conjunction with the presenter, the MAC staged a totaled car at the school. We also posted "Parents Who Host, Lose The Most" signs around the car and community. Many teenagers in high school are starting to enjoy independence; this is usually the best times of their lives. They are starting to think about their future and career goals. One wrong decision can change their life forever. There are some ways parents can protect themselves and their teens when hosting parties for their children:

- Host safe, alcohol-free activities and events for youth during prom and graduation
- Refuse to supply alcohol to children or allow drinking in their home or on your property
- Be at home when your teenager has a party
- Make sure your teenager's friends do not bring alcohol into your home
- Talk to other parents about not providing alcohol at youth events
- Report underage drinking

For more information about the program, to receive a copy of the campaign materials, or to register for the monthly Drug Free Action Alliance newsletter, visit www.DrugFreeActionAlliance.org or contact them at (614) 540-9985 ext.16 or by email at Contact@DrugFreeActionAlliance.org.

Roosevelt School DARE Graduation 2018

L to R Det. Sheffrin, Billy Curran, Daren the Dare Lion

On Wednesday, April 25, 2018 Roosevelt School held its culmination program for 110 5th Grade students, who successfully completed Manville's D.A.R.E. Program.

The students participated in D.A.R.E.'s revamped program known as the "Keepin it Real" curriculum, which is based on the Socio-Emotional Learning Theory. Since 1983, DARE has demonstrated leadership in the prevention of drug abuse.

During the past few months, Det. Sheffrin of the Manville Police Department had the opportunity to work with the students in providing cutting edge instruction that not only teaches them to say no to drugs, but it teaches them how to make GOOD DECISIONS in any situation they may find themselves in. The program relied heavily on classroom participation, which made the program successful because of the students who worked tirelessly to complete each

core-lesson. The Manville Police Department would like to thank our partners who assisted in making the return of the D.A.R.E. program such a monumental event.

Manville Seniors' Digest

The vibrant Manville Senior Citizens meet at noon on the second Thursday of each month at the VFW on Washington Avenue. Membership is open to anyone age 50 or older, residents and non-residents. The next meeting is June 14.

Canned goods or non-perishable food items are collected before each meeting. Remember to bring one item per member to help stock the Food Bank.

Follow Manville Seniors Facebook to learn more about Senior activities and see pictures.

Detective William Sampson, from Manville's Police Department, discussed recent IRS scams. Instead of the usual WalMart card or green dot cards, scammers are asking the victim to use google cards. Detective Sampson thanked the seniors for being vigilant and he encouraged our seniors to keep reporting any suspicious activity to the department. Looking ahead to the June meeting, the Borough's new Tax Assessor, George Sopko, Jr., will speak about the assessments and will be available for questions.

Tickets for the July 12th Picnic at Colonial Park will be on sale at the June 14th meeting. Cost is \$10 for members and \$20 for guests.

Upcoming trips:

Atlantic City - First Monday of the month in June and July to Caesar's. Bus leaves VFW at 9am. Cost is \$35 of which \$30 will be returned. Next trip is June 4. Contact Josephine Pschar at 908-722-0156.

Sands Casino in Bethlehem, PA. will be on the fifth Thursday of the month. The next trip is May 24. Bus will leave from the VFW at 10 a.m. Cost is \$30 with \$20 back and \$5 for food. Contact Jo Pschar at 908-722-0156 for reservations.

Friday, July 20 to Monmouth Race Track. Cost is \$75.00 which includes transportation and buffet. Contact Josephine Pschar at 908-722-0156.

Sunday, September 23 to Saturday, September 29, trip to Nashville & Memphis, TN. Including a Grand Ole Opry, guided Nashville Tour, Elvis Experience tour, shopping and browsing time on Beale Street. Cost is \$1,219 double and \$1,539 single. Contact Kathy Petrone at 908-526-2948 for information.

All trips are open to the public. Trip brochures can be viewed on our Facebook page @ManvilleNJSeniors.

Mayor Onderko and the Borough Council Honor EMS Week

At the May 14th Borough Council Meeting, Council President Stephen Szabo read into the record a Proclamation honoring National EMS Week 2018. The theme for 2018 EMS, Dedicated for Life, embodies the selfless dedication of the volunteers of the Manville Rescue Squad. Emergency medical services are a vital public service for every community. Those individuals are ready to provide lifesaving care to those in need 24 hours a day, 7 days a week. It is only appropriate to recognize the value and the accomplishments of the emergency medical service providers by proclaiming Emergency Medical Services week.

Borough of Manville Rain Barrel Rebate Program

"A rain barrel is placed under a gutter's downspout next to a house, small shed or other structure to collect rainwater from the roof." Harvesting rainwater can be used as an alternative to utilizing the drinking water supply to water gardens and other outdoor uses. Manville Borough is supporting the use of rain barrels and is receiving financial backing from the NJ Water Supply Authority (NJWSA). The NJWSA is sponsoring a rain barrel rebate program this summer in Manville Borough. Property owners will be eligible to receive a maximum of 2 rebates per installation address. Rain barrels will be required to meet specific installation criteria (see Manville's website for this criteria); the homeowner must pledge to use and maintain the rain barrel for at least two years. Property owners with properly

installed rain barrels will be eligible to receive rebates of up to \$200. Please visit the Borough Hall or on-line at www.manvillenj.org/483/Sustainable-Manville-Green-Team or check out the SustainableManville Facebook page for more information on this rebate program! Applications are available as are installation instructions.

M News from the Manville Public School District

Under Gov. Murphy, Funding Injustices Continue

by Superintendent Robert Beers

Another budget planning cycle has come and gone for New Jersey school districts as the May 15th submission deadline has passed. This task continues to be a herculean effort as Manville Borough remains one of the most underfunded school districts in the entire State of New Jersey.

The Manville 2018/19 budget was completed in the face of a \$9,700,000 state aid gap, which correlates to \$6,400 per pupil. Currently, Manville students receive a paltry 40% of our state aid allocation according to the SFRA formula. After listening to promises of full funding from Governor Murphy in November, Manville's state aid funding gap actually increased by \$700,000 for the 2018/19 school year. The students of Manville are worth far more than 40%, but nevertheless the Manville Board of Education continues to work incessantly in an attempt to provide essential services for students.

Following the Manville Board of Education meeting on May 8th, I received notice of a community meeting in Califon Borough related to a send-receive relationship with neighboring Lebanon Township. Califon is a wealthy district located in Hunterdon County that cherishes class sizes of less than ten while receiving 328% of their allotted state aid. That is right.. 328% or an extra \$2823

per pupil in aid on a year over year basis. I attended the community meeting on May 10th and witnessed Califon citizens whipped into hysteria about the idea of merging with a school district immediately adjacent to them. During this meeting I realized what a luxury this small town has where they can fund class sizes on par with those found in private schools. While Califon residents bicker over the preservation of low class sizes, students who reside in chronically underfunded districts continue to suffer.

My purpose is not to blame the residents of Califon as they are seemingly decent people who do not understand the injustice that exists a mere twenty five miles from their bucolic, wealthy town. However, my experiences this week are yet another example of the savage inequalities resulting from state aid allocations. The State of New Jersey has allowed Califon residents to support an unsustainable system due to overfunding while those in chronically underfunded districts face another year of doing more with less. This is not the "fairer" New Jersey promised by Governor Murphy. Manville residents along with the other chronically underfunded New Jersey districts are waiting for concrete answers as to how this inequitable and discriminatory system will change. The students of Manville cannot wait any longer.

Manville's 2nd Annual Arbor Day Celebration and Tree City USA Status Achieved!

On Friday April 27th, our local Shade Tree Commission sponsored an Arbor Day celebration at our local library. Mayor Richard Onderko read a proclamation declaring Arbor Day in the Borough of Manville urging all citizens to plant trees.

The fun-filled afternoon event allowed for trees to be planted on our library grounds with the help of 71 students participating from Weston Earth Watchers, ABIS Environmental Club and the Art Club. An Arbor Day poster contest was held, and beautiful artwork was on display. Sixty three students entered the poster contest and the following posters were judged the winners:

K-5 First Place Winner was Madera Diarra, Second Place - Aidan Shimp

6-12 First Place Winner was Jessica Campos, Second Place - Ryan Pankowski

The program of events included chain saw artist, Wyatt Harrison, of WJH Chainsaw Carving. Kids eagerly watched as a beautifully crafted "welcome" bear

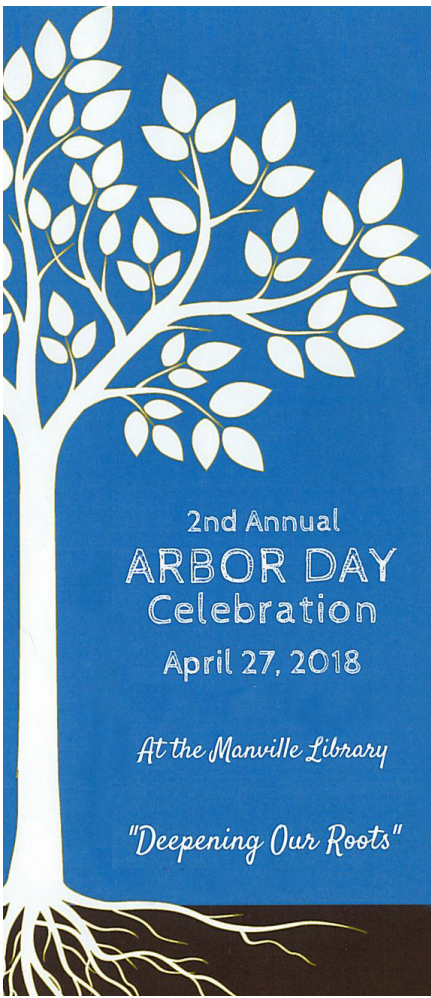

was produced out of a stump of hemlock. In addition, arbor loving animals were put on display by Eyes of the Wild presenter, Travis Gale. The students really enjoyed the presentation and hearing about animals that live in trees.

The Borough of Manville recently achieved Tree City USA status. The Tree City USA program has been greening up cities and towns across America since 1976. It is a nationwide movement that provides the framework necessary for communities to manage and expand their public trees.

A special "thank you" to all the volunteers who helped coordinate the program of activities for the afternoon and especially to our Shade Tree Commission members led by Chairman Jack Kuhlman along with

Al Foeri, Joe Markiewicz, Scott Merry, Councilman Phil Petrone, Dave Tarby, Nick Trilone, and Charlie Truskowski.

We also are grateful to the many sponsors of the event, including American Legion Post 304, Boy Scout Troop 193, Manville Art Council, Manville Department of Public Works, Manville Library Advisory Board, Manville Rocks!, NJ Bureau of Forest Fire Management & Smokey the Bear, Nature's Hand Tree Expert Company, Northside Lounge, ShopRite, Somerset County Mosquito Commission, Somerset County Recycling, Sustainable Manville Green Team, Sweet Reads, Walmart, and Whole Foods - THANK YOU for being part of our community's Arbor Day celebration!

Manville Recreation Teams Up with Community Pass

User-friendly Online System Makes Registration Easy

Manville Borough residents can begin to use Community Pass to register for the Weston Summer Camp. Additional camps and future Recreation programs will be coming soon to Community Pass.

Community Pass is one of America's most well-respected and comprehensive online recreation management solutions, according to their website.

To create your community pass account, visit www.register.communitypass.net. In the box that says Enter Community or Organization, type in "Manville Borough, NJ" and click continue. This will bring you to the "create

your account" screen. Set up your profile and you can begin to utilize Community Pass to register for Recreation Programs as they become available.

For any further assistance or if you have any questions, please call the Recreation Department at 908-725-9478, extension 121.

Memorial Park Kiddie Pool Closed

The Borough of Manville has secured capital funding for an extensive reconstruction project of the kiddie pool at Memorial Park. As a result of the necessary maintenance for this project, the kiddie pool at Memorial Park will be closed for the 2018 Summer Season. Located at Colorado Avenue off of Roosevelt Avenue, the main pool at Memorial Park will remain open for the summer. The Cooper Park Pool, located at the corner of Boesel Avenue and Cooper Street in Lost Valley, will remain open as well. Some of the

activities at the Borough's pools include swim lessons, aqua aerobics, pool parties (for rental fees) along with season and daily pool passes.

For more information, visit the Recreation website at www.manvillenj.org/recreation.

The Borough of Manville is aware of the disappointment caused by the closing of the kiddie pool and is offering alternatives. First, Somerset County Park Commission offers a beautiful pool facility to all Somerset County residents in Warren called the Warrenbrook Pool at 500 Warrenville Road. Day passes are available and children 3 years and younger are free! Visit the County's website at: www.somersetcountyparks.org/activities/swimming/WB_pool.html

Finally, the Borough is looking into splash tables to be available this summer at the Memorial Park pool for the Borough's younger children.

From the Code Enforcement Officer

With the onset of warmer weather, Code Enforcement will be visiting businesses in town and reminding them that as a community, we all need to work together to help keep our town a clean and desirable place for people to live and shop. Taking pride in our community by working to keep the area presentable will help attract more customers and possible new business owners to our community.

If each business owner would take a few minutes each day to sweep the sidewalk in front of their storefront in the nice weather and in the winter months, clearing the snow, everyone benefits. The sidewalks will be clear of debris and of snow which will make it a safer and cleaner community.

Also, if your business happens to have any open area, it would be the same benefit as above to keep it clean.

Manville Library says Good Bye to Youth Services Librarian

Ruth Bielanski as Professor Sprout at Harry Potter Night

Ruth Bielanski will retire from her longtime position as children's librarian of the Manville Library at the end of June. "Mrs. B" was hired in August of 1992 and has influenced the reading

habits of young minds for over 25 years. Ruth is best known for her innovative crafts, her outreach to local schools and organizations, and her inspired costumes while hosting children's programs. In recognition of her hard work and dedication to the children of Manville, Ruth received Somerset County's Professional Achievement Award and Employee of the Month Award.

Prior to becoming the Children's Librarian, Ruth held a variety of positions in Manville. She served as an elementary school teacher at Sacred Heart School, the Director of Recreation for the Borough of Manville, Craft Manager at Manville's Rag Shop, and Assistant Director at the Manville Library prior to joining the Somerset County Library System of New Jersey in 2012. Ruth gives generously of her time both at work and beyond. Ruth provides handmade baby items for hospitals nationwide and greeting cards for our nation's armed forces.

On behalf of the Manville Library Advisory Board, the library staff and the Manville community, we wish Ruth all the best in her retirement.

Program dates and times are subject to change. All programs are free and registration is required unless otherwise indicated. Visit SCLSNJ.org or call the Library at 908-722-9722 for more information and to register.

Starting Monday, June 18th, SCLSNJ's Manville Library branch is ready to rock your summer with special events and a whole lot of READING! Put down the cell phone, turn off the TV, and win prizes by reading a little bit every day.

It couldn't be easier. Register online or we'll do it for you at the library. Adults track the number of books read and win tickets for four \$25 gift card drawings throughout the summer. All tickets go into a Grand Prize Drawing for a \$50 gift card to either ShopRite, Wegmans, AMC or Reading Cinemas. Golden tickets are issued at certain milestones, and Golden Ticket-holders are entered for a chance to win an iPad Mini in September.

Children and teens track the number of days read and earn prizes and drawing tickets as they move through the summer months. Attending library programs earns extra tickets for the monthly gift card drawings! There are Grand Prizes and Golden Tickets for these age groups as well.

This year, SCLSNJ will partner with MyCentralJersey.com and the Somerset Patriots to offer unique experiences as well as prizes. You have the opportunity to win Patriot game tickets, or even throw out the first pitch at a Patriot's game!

We're kicking off our Summer Reading Challenge with a "Diary of a Wimpy Kid" party on June 18th at 1:00 pm. Be sure to stop by after school for games, snacks, and prizes. More details about the Summer Reading Challenge program may be found at sclsnj.beanstack.org/reader365 and at the library.
