Richard M. Onderko, Mayor Borough of Manville

Mayor Onderko's Corner

I am pleased to inform everyone that Manville has been selected to receive a \$800,000 grant from the Transportation Alternatives Set-Aside Program to fund the proposed Lost Valley Nature Park along the Millstone River which ties the area into Somerset County's greenway plans. This federally funded grant process has proven to be very popular and extremely competitive. This year, 120 applications were received requesting a total of more than \$99 million.

The NJ Department of Transportation was able to fund 25 projects and the proposed Nature Park in Lost Valley was selected. The project must be authorized for implementation by May of 2021. Prototype park plans can be found on our website.

On Tuesday, July 16th at Bound Brook High School, the NJ Blue Acres team kicked off another round of buyouts for the 70 homeowners in attendance. This round focuses on the alternative list of homes developed by our Borough back in 2013. The federal funding being used is HUD disaster relief from Superstorm Sandy. Buyouts will most likely begin in 2020. This is a voluntary program and homeowners can back out at any time.

In the years ahead, there is hope for those who didn't make the alternative list. In the last three years, the Borough applied for and received over \$2.2 million in federal "non-disaster" aid to help homeowners who were classified as a severe repetitive loss (SRL) or repetitive loss (RL) homes under FEMA's FMA guidelines. Basically, this classification is for homeowners who have the most flood insurance claims from prior flood events where past claims must total more than 50% of the assessed structure value of the home. One must carry an active flood insurance policy to be eligible for non-disaster buyout aid.

The Mayor and Council recently passed a resolution to contest the development of low-income housing on our border near South 20th Avenue and Camplain Road. The housing project proposes 89 rental units in 13 buildings. Strick stormwater management designs are proposed to

Borough of Manville "Do Not Knock" Ordinance and Registry

On December 12, 2016, the Mayor and Council adopted Ordinance #2016-1178 entitled, "An Ordinance of the Borough of Manville (1) Establishing Regulations and Licensing Requirements for certain businesses conducted by persons designated as 'Transient Merchants', 'Vendors', and 'Peddlers' in the Borough of Manville; (2) Providing for a 'Do Not Knock' Registry; and (3) Repealing and Replacing Ordinance #1993-775". Essentially, this means that the Mayor and Council have heard and responded to comments from residents regarding door-to-door sales and have replaced their older Ordinance from 1993 to establish new regulations and create a "Do Not Knock" registry.

Residents may register their address with the Borough Clerk to be placed on the Do Not Knock Registry, indicating that they do not want peddling, itinerant vending, and

reduce the risk of flooding and stormwater runoff from the site. We will be looking out for Manville's best interest so we are not adversely affected by this development.

I am happy to report our 2019 tax rate has stabilized with a slight decrease from the 2018 rate of 3.270. The new tax rate for 2019 is set at 3.267. Please read the article from our tax collector on page 13 for when bills are being mailed and for the new August due date.

In closing, I hope to see everyone at National Night Out on Tuesday, August 6th at the MHS parking lot beginning at 5:30pm. Come on out and thank our first responders: police, fire, and rescue volunteers for keeping us safe.

Until next month,
Mayor Richard M. Onderko

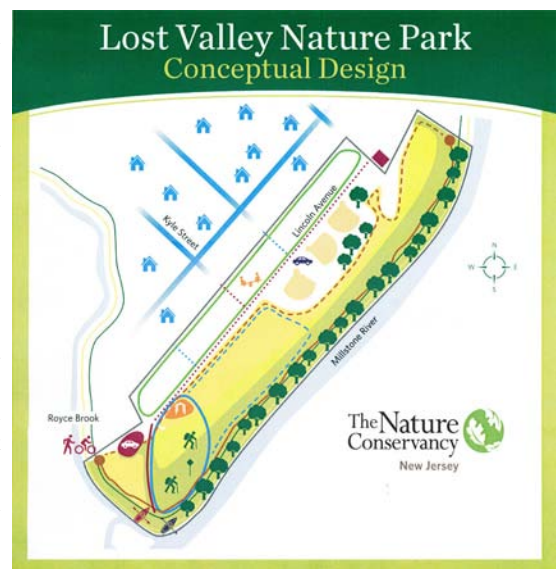

Somerset County's Excellence In Planning Award Leads To \$800,000 Grant For Manville!

The Lost Valley Nature Park Conceptual Design and Recommendations Report focused on recommendations for the proposed Lost Valley Nature Park along Lincoln Avenue, the Millstone River and Royce Brook in the Borough of Manville. The goals of the project are to improve recreational access for a variety of activities and types of visitors; enhance and restore the ecology of the site for wild life and to improve water quality; to aid the water attenuation capacity of the site to help reduce flooding; and connect visitors to local businesses. The report made detailed recommendations concerning public access, wayfinding and gateway signage, visitor amenities and activities, ecological restoration, trail development, marketing, economic development and maintenance.

The plan is consistent with and reinforces Somerset County's greenway plans. This project's approach to planning and design of the Lost Valley Nature Park is interdisciplinary focusing on ecology, human health, recreation, economic development and flood resilience. It is

a model that could be replicated by other communities across the Raritan Watershed that wish to create similar nature parks adjacent to rivers.

The Plan was prepared by The Nature Conservancy with support from the Borough of Manville, the Manville Green Team, and Somerset County. Great teamwork, leadership and vision for Manville's future!

Weston Summer Camp is a Major Success!

Weston Summer Camp started on July 1st and ended Friday, August 2nd. The children were a joy to have. Camp Director Dave Markowitch did a great job keeping the children busy with many activities including an amazing art program managed by Doreen Lorenzetti, a theatre and drama program organized by Kaylee Pfeiffer and our exciting Counselors-In-Training program supervised by Gina Baker. This wonderful summer camp has grown into a five week program over the last two years. Thanks the school district for their support in making this another wonderful summer camp season.

Manville Seniors' Digest

The Manville Senior Citizens meet at noon on the second Thursday of each month at the VFW on Washington Avenue. Membership is open to anyone age 50 or older, residents and non-residents. The next meeting will be August 8.

We can be found on Facebook @ManvilleSeniorCitizens. Check out our activities and pictures.

At the July meeting:

Another successful picnic in the books. A little humidity and partial sunshine did not deter the members from attending. As always, Elmer's Catering did an excellent job. Our first guest speaker was Bill Crosby, coordinator of the Somerset County Handyman Program. He gave an overview of the services his volunteer group will perform (no labor charges, you supply the parts) and passed out brochures detailing the program. Any questions contact him at 908-541-5715. Robert Beers, Superintendent of Schools updated us on the programs completed in the district, including the new roofs on Roosevelt and Manville High School as well as the High School auditorium renovations. The Pre-K program scheduled for this year has been postponed. The good news is that there has been a zero increase in school tax levy for this year.

Somerset County Surrogate Frank Bruno reminded us his office is available for any questions or assistance.

Reminder we will again be collecting school supplies for the elementary grades. Items needed are crayons, markers, pencils, notebooks, etc.

Upcoming event:

Tickets will be on sale at the August 8th meeting for the 50th Anniversary Dinner on Sunday, October 27 at St. Mary's Parish Center in Hillsborough. Tickets are \$10 for members and \$20 for guests.

Celebrating 50 years!!

The purpose of the club is to promote social and recreation activities for its members and to foster good community relations and enhance the dignity of the senior citizens.

The club has invested time in the community relations since its inception. Service includes making lap robes, booties and capes for residents of nursing homes, conducting yearly bake sales with all proceeds going to the Manville Rescue Squad, purchasing blankets for veterans and collecting school supplies for students in Manville's elementary schools. We also collect donations for the food bank and labels for education. Our members have also given their time for the community serving as mayors, councilmen and councilwomen, on various local boards including the planning, zoning, health, school boards, Manville Alliance, Fire Companies and Rescue Squad and many local committees.

In the early days of the club, representatives made presentations at federal

- Non-Resident: \$10.00 per person/per day

Day passes can be purchased at Borough Hall or on-site at the pools from the vending machines.

We are also still accepting registrations for Splash Camp. Splash Camp is two weeks from August 5th-9th and August 12th - 16th at Memorial Pool from 12pm to 3pm. Campers take part in organized games, crafts and pool activities. The camp is for students going into 5th - 8th grades for the 2019-2020 school year. All campers must be pre-registered and paid in full before camp. No payments will be accepted at the camp/pool. Payments are non-refundable. The cost is: \$15.00 per camper/per week

During the week of August 12th - 19th the Recreation Department will be holding our Boys Summer Soccer Camp. This program is held on the soccer fields at Lincoln Avenue Park in Lost Valley. Camp is for boys entering 3rd - 8th grades for the 2019 - 2020 school year and will be run by Dutch Total Soccer Coaches along with Recreation Alumni players. The cost of camp is \$50.00 per player.

Registrations are always accepted in the Recreation Department during regular business hours - Mon: 9am - 7pm, Tues - Thurs: 9am - 5pm, Fri: 9am - 3pm.

Registrations can also be done online through the Community Pass System for all of our programs. Please visit www.manvillenj.org/308/Recreation.

Spread the Word: Drive Sober or Get Pulled Over

Stay Safe This Labor Day Holiday

During the 2019 Labor Day holiday, the Manville Police Department will partner with the U.S. Department of Transportation's National Highway Traffic Safety Administration (NHTSA) to get drunk drivers off the roads and help save lives. The high-visibility national enforcement campaign, *Drive Sober or Get Pulled Over*, runs from Aug. 14 through Sept. 2, 2019. During this period, local law enforcement will show zero tolerance for drunk driving. Increased state and national messages about the dangers of driving impaired, coupled with enforcement and increased officers on the road, aim to drastically reduce drunk driving on our nation's roadways.

Sadly, the statistics prove that we have a lot of work to do to put an end to drunk driving. According to NHTSA, 10,874 people were killed in drunk-driving crashes in 2017. On average, 10,000 people were killed each year from 2013 to 2017—one person was killed in drunk driving crashes every 48 minutes in 2017. That's the equivalent of 20 jumbo jets crashing each year, with no survivors. This is why our department is working with NHTSA to remind drivers that drunk driving is not only illegal, it is a matter of life and death. As you head out to Labor Day festivities, remember: *Drive Sober or Get Pulled Over*.

During the 2017 Labor Day holiday period (6 p.m. Sept. 1 - 5:59 a.m. Sept. 5), there were 376 crash fatalities nationwide. Forty-four percent of those fatalities involved drivers who had been drinking (.01+ BAC). More than one-third (36%) of the fatalities involved drivers who were drunk (.08+ BAC), and more than one-fourth (26%) involved drivers who were driving with a BAC almost twice the legal limit (.15+ BAC). Age is a particularly risky factor: Among drivers between the ages of 18 and 34 who were killed in crashes over the Labor Day holiday period in 2017, 42 percent of those drivers were drunk, with BACs of .08 or higher.

Drunk driving isn't the only risk on the road: Drug-impaired driving is also an increasing problem on our nation's roads. If drivers are impaired by any substance—alcohol or drugs—they should not get behind the wheel of a vehicle. Driving while impaired is illegal, period. The bottom line is this: If You Feel Different, You Drive Different. Drive High, Get a DUI. It's that simple.

The *Drive Sober or Get Pulled Over* national high-visibility enforcement campaign ends on Sept. 3rd. However, our commitment to enforcing drunk-driving laws never ends. Drunk driving is never okay. If you are planning to drink, plan ahead for a sober ride home. Even one drink is one too many. Ultimately, drunk driving is 100% preventable. Don't make the choice to put yourself and others at risk.

Friends of the Manville Library Seeking New Members

The Friends of the Manville Library are always looking for new, active members, especially people with good ideas for publicity and fundraising. The Friends are volunteers who work to raise money for special library needs not covered by public funds. Every dollar raised goes right back to the community in the form of library resources and services that everyone may enjoy.

Recent gifts from the Friends include:

- New games and instructional play items for the children's area
- Annual services like piano tuning and sewing machine repairs
- Essential furnishings for meeting rooms – TV stand and conference table and chairs
- New equipment to digitize local history materials

If you are interested in joining the Friends, please call the library at 908-458-8425, pick up a Friends flyer the next time you're in, or reach out via email to mvlfriends@scslibnj.org. Meetings are typically held at the library once a month for about an hour. Our annual fundraisers for 2019 include a town-wide yard sale, a cupcake competition and family portraits. Please join the Friends to help us continue our efforts!

4th Annual Manville Town-Wide Yard Sale

The Friends of the Manville Library are pleased to announce the 4th annual Manville Town-Wide Yard Sale on Saturday, October 12, 2019, from 9am to 2pm. (Rain date October 13, 2019).

Last year, over 75 locations participated throughout town. The tax-deductible \$10 registration fee covers the Borough permit and extensive advertising via print and online newspapers, press releases, social media, online event calendars, online classified ads, email blasts, and posted flyers. Your address will be listed on the official sale map and a Google Map. You will also receive an official Town-Wide Yard Sale sign for your home.

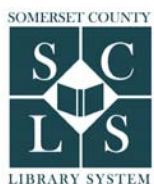

Bulk trash pickup is October 15, so items that don't sell can be picked up shortly after the sale. We will also supply home sellers with a list of local organizations that may pick up used items.

Are you a local business who would like to advertise on our map? We are selling advertising space on the official sale map. Last year, over 500 maps were distributed to those shopping throughout town. If you'd like more information about placing an ad, contact Nanette Peterson at 908-458-8426.

All proceeds generated from registration fees support the Friends of the Manville Library, a registered 501(c)3 non-profit organization. Yard sale information and links to registration can be found on the Borough website: www.manvillenj.org/380/Friends-of-the-Manville-Library.

Manville's Cooling and Warming Center

As part of a Somerset County Office of Emergency Management initiative, the Manville Public Library is a designated cooling and warming center. During extreme weather you can find comfort in visiting our library during normal library hours.

Family Portrait Fundraiser Just In Time For The Holidays!

The Friends of the Manville Library are excited to share news about an upcoming Friends fundraising event.

On Saturday, October 19th from 9:30 am to 4:00 pm at the Manville Library, the Somerset County Photography Club will be donating their time to offer a mini photo session. Each family sitting will last 15 minutes and families will be able to select two high resolution digital images to keep. 100% of profits go to Manville Library.

We have a limited number of spots available, so please reserve your space now. Every effort will be made to accommodate your preferred time slot. For more information, contact the Manville Library at 908-458-8425.
